About The AZEK® Company

The AZEK Company Inc. (NYSE: AZEK) is the industry-leading designer and manufacturer of beautiful, low maintenance and environmentally sustainable outdoor living products, including TimberTech® decking and Versatex® AZEK Trim® and StruXure™ pergolas. Consistently recognized as the market leader in innovation, quality and aesthetics, products across AZEK's portfolio are made from up to 100% recycled material and primarily replace wood on the outside of homes, providing a long-lasting, eco-friendly, and stylish solution to consumers. Leveraging the talents of its approximately 2,000 employees and the strength of relationships across its value chain, The AZEK Company is committed to accelerating the use of recycled material in the manufacturing of its innovative products, keeping millions of pounds of waste out of landfills each year, and revolutionizing the industry to create a more sustainable future.

Headquartered in Chicago, Illinois, the company operates manufacturing facilities in Ohio, Pennsylvania, Georgia, and Minnesota, and recently announced a new facility will open in Boise, Idaho. For additional information, please visit azekco.com.
